NM AI-EBPL Student Login Process
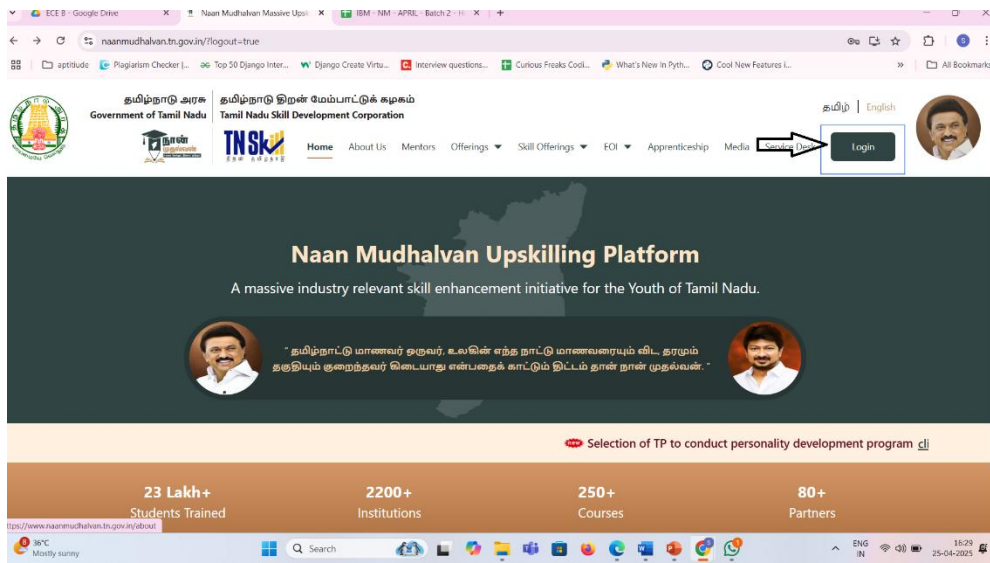

Steps to Log in to Naan Mudhalvan and Submit Your Project Documents:

1. **Open the Website:**

   ➢ Go to https://naanmudhalvan.tn.gov.in.

2. **Click on the "Login" Button:**

   ➢ Find the **"Login"** button on the top right corner of the homepage.
   ➢ Click on it.

3. **Enter Your Credentials:**
   ➢ Username
   ➢ Password

4. **Enter the Captcha:**

   Type the characters shown in the captcha image correctly.

5. **Click on "Login":**

   After entering all details, click the **Login** button.

6. **Go to Dashboard:**

   After logging in, you will be redirected to your **Student Dashboard**.

7. **Click on "View" under Mandatory Courses:**

   ➢ Find the **Mandatory Courses** section.
   ➢ Click the **View** button (highlighted on the right side).

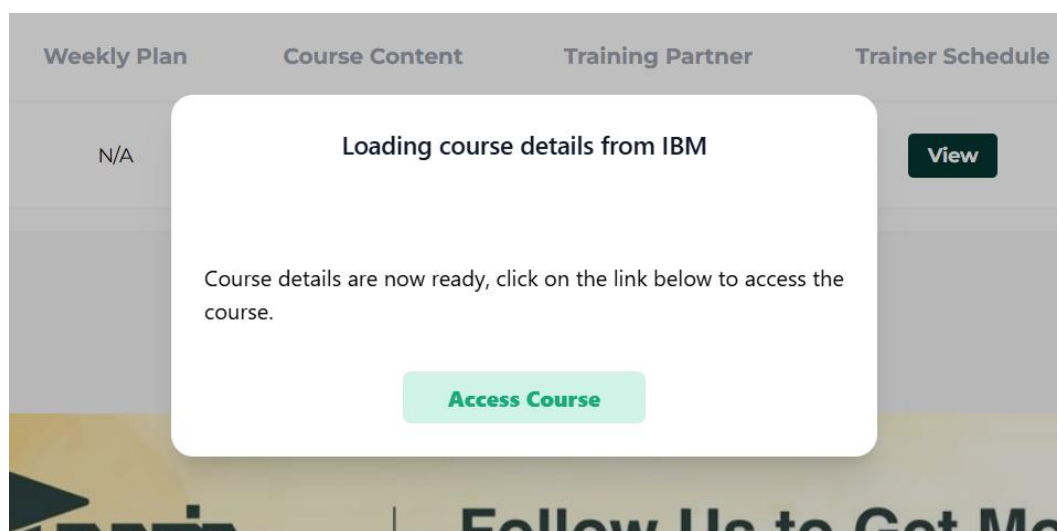

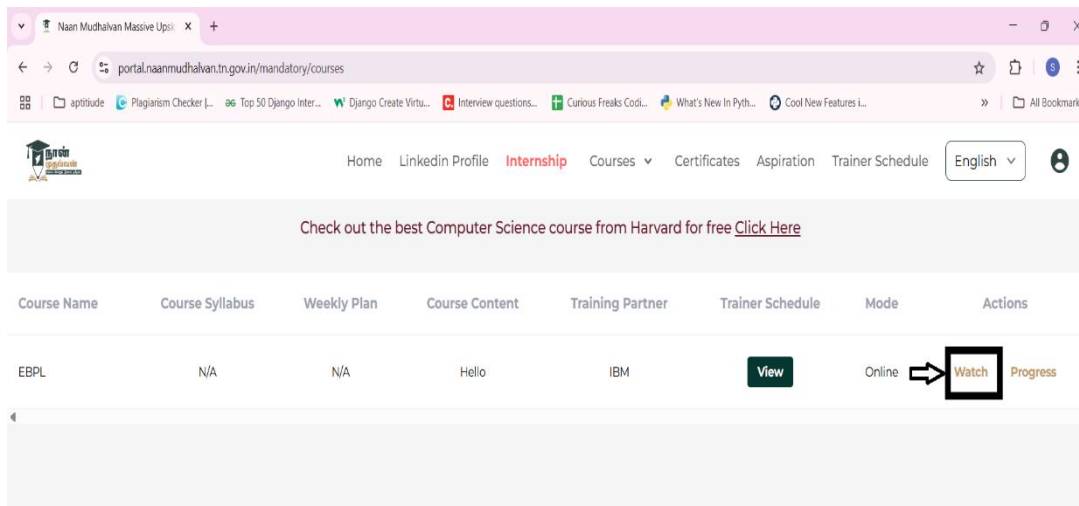

8. **Find Your Course:**

   ➢ You will see a list of courses (example: EBPL course).

9. **Click "Watch" under Actions:**

   ➢ Under the **Actions** column, click **Watch** next to your course.

10. **Access the Course:**

    ➢ A popup saying **"Loading course details from IBM"** will appear.

    ➢ Click the **Access Course** button to start the course.
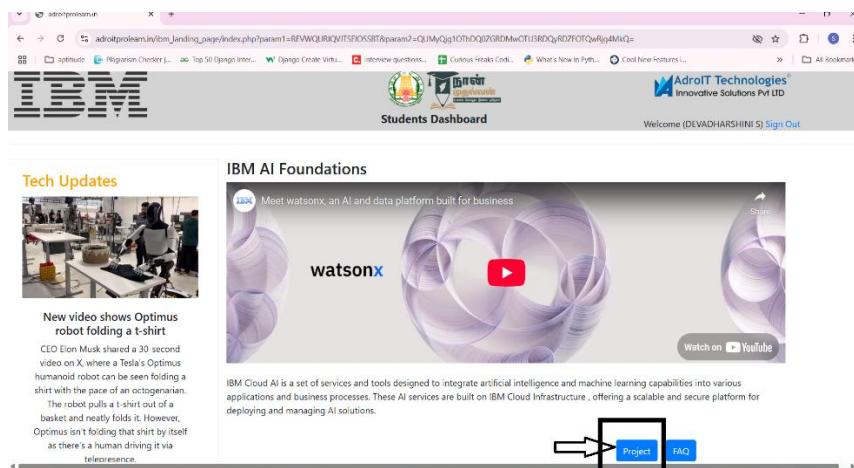

11. **IBM AI Foundations Course Page:**

  ➢ You will be redirected to the IBM course page.

 ➢ Here you can watch videos and access learning materials.

12. **To Work on the Project:**
  ➢ Click on the **Project** button (located below the video section).
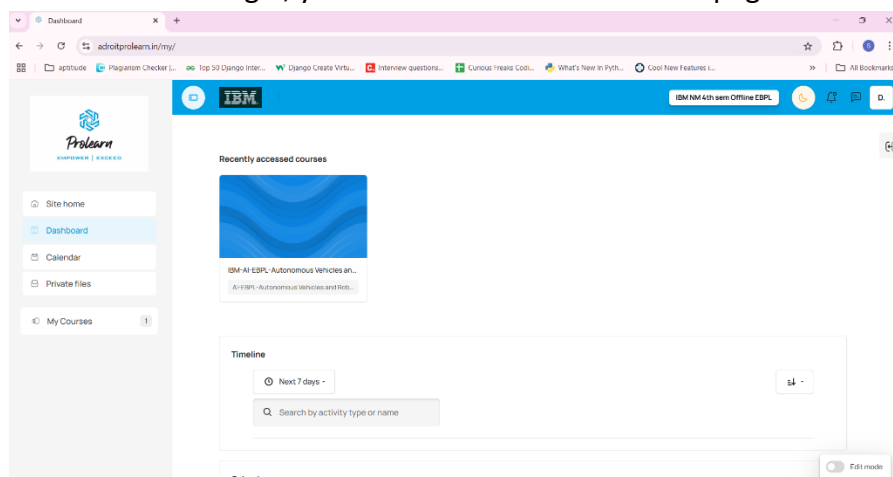

13. **After clicking on the Project, you will be directed to the Prolearn website:**
   - ➢ Note: Do not change the pre-filled username and password, simply click the Login button to continue.

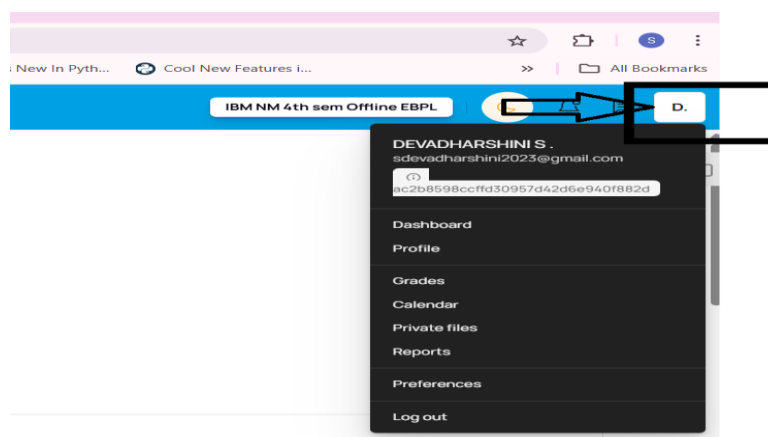

14. **Dashboard Access**
   - ➢ After successful login, you will land on the **Dashboard** page.

15. **Profile Check (Optional)**
   - ➢ Click the **icon** (top right corner) to check your profile name, email.
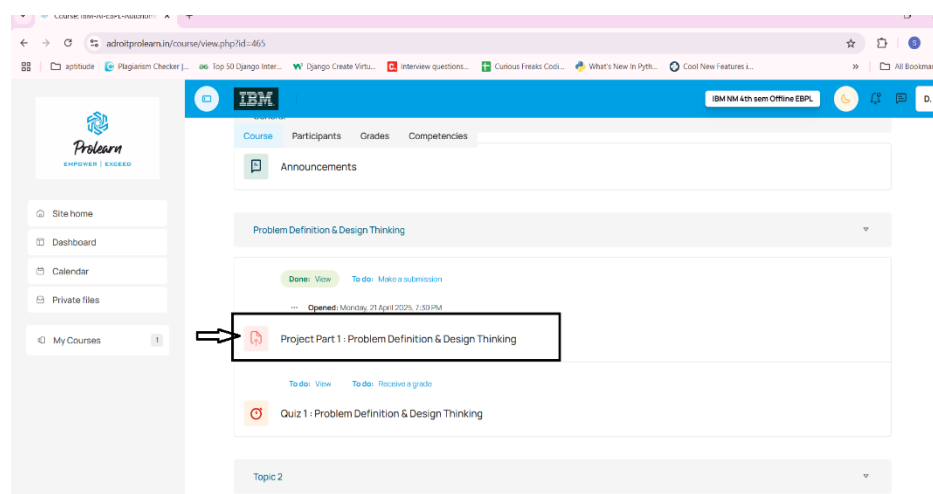

16. Open Your Course

➢ On the left side menu, under **My Courses**, click on your course:
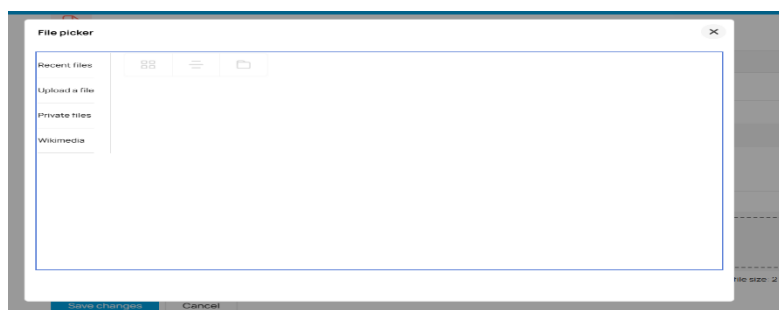

➢ Example: **IBM-AI-EBPL - Autonomous Vehicles and Robotics**

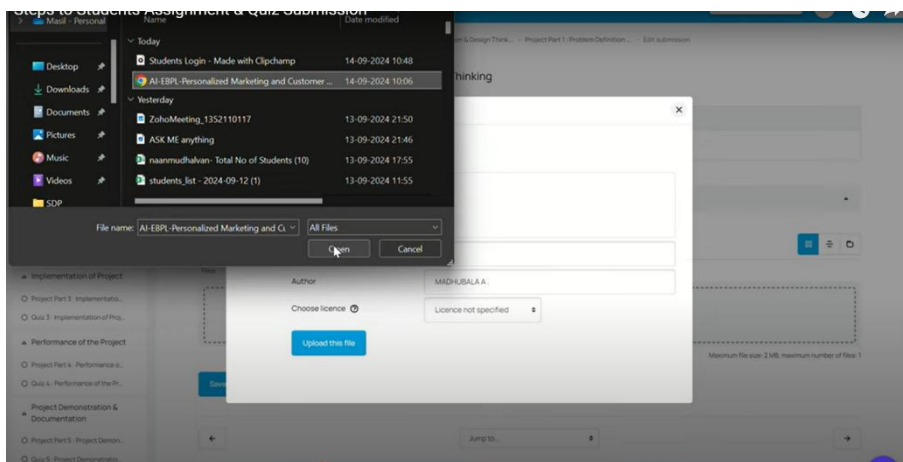

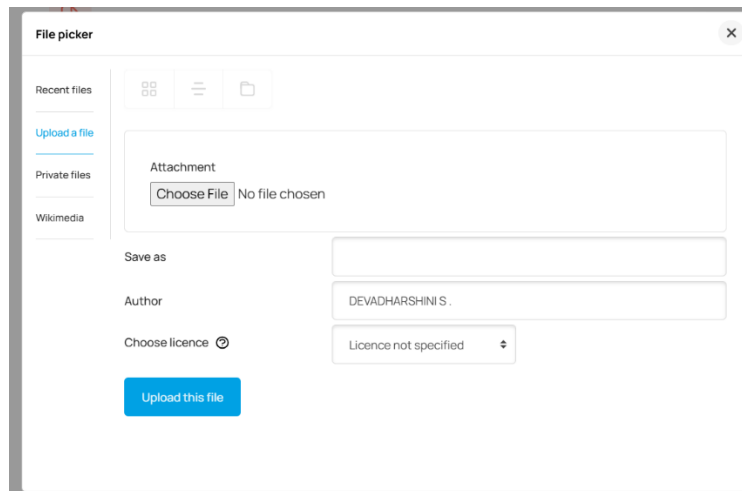

17. Access Project or Quiz

➢ Inside the course, you will find course materials.

➢ Click on **Project Part 1: Problem Definition & Design Thinking** to work on your project.

➢ You can also find **Quiz 1** and other activities listed below.
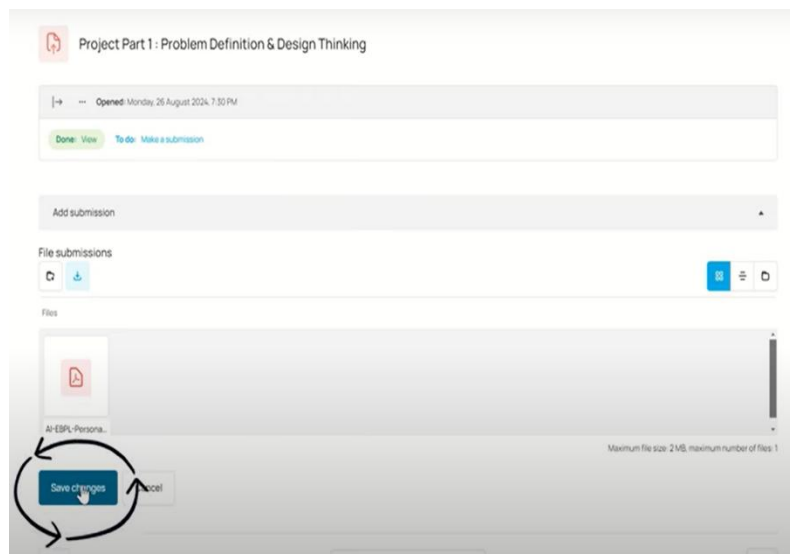

18. **Submitting Your Project**

➢ After clicking on **Project Part 1: Problem Definition & Design Thinking**, you will be redirected to the project submission page.

➢ Click the **"Add submission"** button.

➢ A file upload area will appear.

➢ Click on the upload area or drag and drop your file(s) there.

➢ Once your files are uploaded, click on **"Save changes"** to complete the submission.

19. **Finalize Your Submission**
   ➢ Don't forget to click **"Save changes"** after uploading your files to successfully complete the submission process.

You can either edit your submission or remove it if needed
